

Howmet Fastening Systems

1925 N. MacArthur Drive

Tracy, CA 95376, USA

October 3, 2022

To Our Valued Customers,

As a result of multiple increases on the cost of our Recoil taps, we regretfully have no choice but to increase pricing for Recoil kits and taps as follows:

- Recoil industrial kits (incl range kits and merchandisers): **+3.5%**
- Fix-a-Thred Kits and merchandisers: **+3.5%**
- HSS Taps: **+6%**

Additionally, we will be increasing pricing on our Huck tooling, based on continued cost increases on raw materials, freight and logistics, and manufacturing supplies. The average increase will be **4%-5%**, with potential for higher increases on consumables.

The increase will go into effect on **orders placed from Jan 1, 2023**. Details can be found on the attached pricelists.

We thank you for your continued partnership and understanding.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ryan Bonner'.
